

Minerva : The Quiz Society

Minerva is the quizzing society of Shaheed Bhagat Singh College. The society is always active in hosting quiz events and sessions which help students develop an accumen for quizzing and learn new things about science, art, popular culture, history and events which are domestic as well as international. It is not only a society for quizzers but anyone who is keen in learning something new. The society holds annual events in its fest which includes college as well as open for all events. Being a part of this society is not only an opportunity to learn about a plethora of topics but also a chance to meet and interact with people from all spheres of life. The society opens up multitude of doors to its members to explore a diverse range of subjects and familiarize with like minded individuals, also providing chances to collaborate on different levels. This society is for individuals who love going out of the general scope of their academic courses and delve deeper into new dimensions.
